

# April/June Newsletter

## Reporting to Parents/Carers

This newsletter is one of a series of newsletters in which we report to our Parents/Carers about some of the exciting learning that is taking place in Dunard in Term 4. We work with a significant number of expert coaches, partners and facilities to ensure excellent real life teaching and learning opportunities for our children.

We send individual class newsletters, letters and text alerts to classes directly involved to provide more detailed information. This, alongside our class workshops, assemblies, class visits, our website, our displays and open afternoons showcase our learning.

## Dunard Nursery Class News Tesco Bags of Help

### Dunard Nursery Class Outdoor Area

Dunard Nursery Class has welcomed the Bags of Help funding from the Tesco Bags of Help initiative.

*We are now beginning to create our vegetable and flower beds so that our nursery children and our Parents/Carers can work together to grow vegetables and flowers to make our outdoor space a great learning environment. We'll use our vegetables to cook healthy food together.*

*We now have a Pirate ship, water play and beaches for our children to learn and play and lovely table and chairs to have lunch outdoors.*

*We have purchased a great mud kitchen and an outdoor painting and drawing easel so that we can take even more learning outdoors.*

*We are looking for any parent/carer to help build our new outdoor storage shed. Please see Wilma or Mrs Connolly.*

A huge thanks to everyone at Tesco and in our Dunard community for supporting us in this exciting adventure.

## Nursery Summer Trip

Our nursery children, staff and parents/carers are looking forward to our annual summer trip at Heads of Ayr Farm Park on Thursday 7th June 2018.
