After School/Lunchtime Clubs

We continue to offer an extensive range of After School and Lunchtime Clubs. I have enclosed a poster outlining how many children attended, which ones are most popular etc.

This year, in response to requests from our parents/carers and children, Elizabeth and Ms Hogg offer pre school supervision. Elizabeth helps to support our children who attend Breakfast club with fun and games, sports, free play and homework help. This is currently funded from Pupil Equity Funding and we have seen a significant increase in breakfast club attendance as well as children enjoying a soft start to the day.

Our clubs are run by our incredibly enthusiastic staff and expert coaches from local clubs.

Congratulations P7!

Congratulations to Mr Cheyne, Mr Montgomery and our Primary 7 First Lego League champions who were the highest scoring Primary school in Glasgow for the Robot Programming element of the Challenge held in Glasgow Clyde College last month. Thank you to Quintin Cutts, Professor of Computing Science at Glasgow University and Audrey our STEM engineer for supporting Dunard pupils. Thanks Ms Hogg and Elizabeth!

Generation Science

Primary 4-7 thoroughly enjoyed participating in learning about sound and vibrations on Wednesday 7th February in Dunard. Great photographs on our website www.dunard-pri.glasgow.sch.uk

Staff and Children enjoyed an exciting, interactive assembly which taught our children how sound travels through liquids, gas and solids.
