2nd April 2020

Dear Parent/Carer,

Free breakfast and lunches delivered to Dunard children over Easter Holidays available to all families who require this.

During the Easter break, we normally offer all of our children an activity club at Partick Thistle Trust. Part of the programme involves Dunard children receiving free breakfast and lunch. Unfortunately, due to Covid-19, the activity programme cannot go ahead.

However, Partick Thistle Trust are offering to **deliver a breakfast and lunch pack to Dunard children** at your home address, if you feel this would be useful.

The meals are delivered directly to your house by Partick Thistle staff. This is all fully risk assessed and they follow full NHS and Local Authority safety guidelines from food production to delivery.

I am aware that these are difficult times for many of our families. Anyone wishing these **free of charge** breakfast and lunches, please contact Paul Kelly at **07825 569083** or David at **07581301528** either today or tomorrow.

I have just spoken to Paul and he would prefer you to contact him directly.

I would encourage you to take advantage of this excellent offer.

Yours sincerely

Mrs Connolly
Head Teacher
